

"UBB Platinum Bond Fund"
Fund in bonds

Bulletin date: 31/12/2020

The main objective of the Fund is to provide unitholders in long-term preservation and increase the value of their investments mainly by the realization of interest income and, to a lesser extent - from dividends and capital gains at a low level of risk. In the short-term the goal is to achieve a return higher than that on alternative investments at low risk. The Fund invests mainly in debt securities (long and medium-term government securities, municipal bonds, corporate bonds, mortgage bonds, etc.).
