#### Note:

Interest rates on loans granted by the Bank in national and foreign currency are calculated on a 365/365 days basis for consumer loans, overdrafts and revolving credit cards and on a 360/360 days basis for loans with mortgage collateral.

Interest rates on loans granted by the Bank in national and foreign currency are calculated and collected in the currency in which they have been used.

In case of breach of the terms and conditions for repayment or other conditions of the loan contract, the Bank collects penalty charge, the amount of which is specified in the loan contract.

\*CIBANK considers non-performing any loans for which there is an indication for deterioration or loans, which are not repaid in accordance with the contract signed for their disbursement.
