3.4.	Closing	no charge	no charge

For opening current accounts of legal entities with differentiated interest accrual or for transforming an existing current account into an account with differentiated interest accrual, the Bank requires minimum initial amount of 50 BGN/25 EUR.

A current account or current account with differentiated rate is closed in case the account holder does not provide the monthly fee for maintenance for three concecutive months. There is no opening, closing and monthly service fee for a current account servicing a revolving credit card with a grace period.

\*\* For escrow and DVP accounts for investment agents, the monthly fee for maintenance include a statement form the account by chosen from the customer channel and frequency, if something else

For escrow and DVP accounts for investment agents, the flucturing test on training and between the parties.

For review of documents for remote opening of current accounts of legal entities, clients of KBC / IBOS, the Bank collects one-off fee amounting to 100 BGN. Legal entities for which can be applied the principles of single pricing for services, fees and commissions paid for the used services, according to the tariff for single pricing for banks in Central Europe, KBC / resp. participants of IBOS.

""It is required to maintain a minimum non-reducible balance on current accounts in local currency and foreign exchange in the amount specified in the Tariff of the Bank. Upon closing of the account is paid in full the minimum non-reducible balance after deducting by the Bank the fees and commissions due.

For payment of salaries of employees to saving or current accounts by the employer, the fee is negotiable.

In execution of payment orders in foreign currency with instructions from the client, all fees and commissions are for the ordering client's account; the Bank collects additional fees except this of item 2.2 in accordance to the tarriffs of the foreign banks.

The following value dates are applicable for transfers from/to payment accounts in BGN and foreign currency on the name of local and foreign individuals:

1) Credit to a payment account of CIBANK's customer - the value date on which the correspondent or settlement account of the Bank is credited with the amount of the transfer in BGN or foreign

Currency;
2) Debit to a payment account of CIBANK's customer - the value date of debiting the correspondent or settlement account of the Bank with the amount of the transfer in BGN or foreign currency;
3) The vallue date of an intrabank payment in BGN or foreign currency for the remitter and for the beneficiary is thesame working day when the payment transaction is effected.

The value date is considered as interest day. The date of account completion is considered as interest day for the next period.

The value date for the account balance after completion is also the same day of completion. When closing interest accounts during the year, the day of closing is not considered as interest day.
