* For opening current accounts of legal entities with differentiated interest accrual or for transforming an existing current account into an account with differentiated interest accrual, the Bank requires minimum initial amount of 50 BGN/ 25 EUR.

A current account or current account with differentiated rate is closed in case the account holder does not provide the monthly fee for maintenance for three concecutive months. There is no opening, closing and monthly service fee for a current account servicing a revolving credit card with a grace period.

** For escrow and DVP accounts for investment agents, the monthly fee for maintenance include a statement form the account by chosen from the customer channel and frequency, if something else not agreed between the parties.

For review of documents for remote opening of current accounts of legal entities, clients of KBC / IBOS, the Bank collects one-off fee amounting to 100 BGN. Legal entities for which can be applied the principles of single pricing for services, fees and commissions paid for the used services, according to the tariff for single pricing for banks in Central Europe, KBC / resp.participants of IBOS. ***It is required to maintain a minimum non-reducible balance on current accounts in local currency and foreign exchange in the amount specified in the Tariff of the Bank. Upon closing of the account is paid in full the minimum non-reducible balance after deducting by the Bank the fees and commissions due.

For payment of salaries of employees to saving or current accounts by the employer, the fee is negotiable.

In execution of payment orders in foreign currency with instructions from the client, all fees and commissions are for the ordering client's account; the Bank collects additional fees except this of item 2.2.in accordance to the tarriffs of the foreign banks.

The following value dates are applicable for transfers from/to payment accounts in BGN and foreign currency on the name of local and foreign individuals: 1) Credit to a payment account of CIBANK's customer - the value date on which the correspondent or settlement account of the Bank is credited with the amount of the transfer in BGN or foreign

currency;

2) Debit to a payment account of CIBANK's customer - the value date of debiting the correspondent or settlement account of the Bank with the amount of the transfer in BGN or foreign currency;
 3) The value date of an intrabank payment in BGN or foreign currency for the remitter and for the beneficiary is thesame working day when the payment transaction is effected.

The value date is considered as interest day. The date of account completion is considered as interest day for the next period. The value date for the account balance after completion is also the same day of completion. When closing interest accounts during the year, the day of closing is not considered as interest day.

1. The commission for issuance or increase/extension of validity shall be paid upon issuance as well as at the start of each quarter or part thereof in the period of validity of the contingent liability. The collected commission is not refundable in case of decrease/early termination of the Bank's commitment.

In case of revolving letter of credit, the commissions shall be charged on the revolving amount as upon opening a new letter of credit.
 In case the amount under the letter of credit increases, a commission shall be collected as with a new letter of credit on the amount of the increase.

4. In case of letters of credit with note "plus/minus" or "about", the commissions shall be charged on the increased amount.

5. In case the term of the letter of credit is extended for a new quarter or part thereof, a commission shall be charged as with a new letter of credit. In case the extension is within a period for which the

payable commission has been collected or is to be collected, only a fee for the change shall be charged. 6. The commissions do not include costs for SWIFT correspondence as well as costs for postal or courier services. Where applicable, the latter shall be charged additionally as per the tariff of the Bank (see Section "Other services").
