General notes

1. The current Tariff of "United Bulgarian Bank" AD, applicable to contracts with clients for the provision of investment and/or additional services related to financial instruments, was adopted on 07.02.2023 and comes into force from the date of the merger of "K BC Bank Bulgaria" EAD in "United Bulgarian Bank" AD, but no sooner than 01.05.2023. As of this date, this Tariff completely cancels Section VII and Section VIII of the Tariff for Fees and Commissions for Individuals of "United Bulgarian Bank" AD and Section XI, Section XII and Section XIII of the Tariff of Fees and Commissions for Business Clients of United Bulgarian Bank AD. As of this date, the current Tariff cancels completely the tariff of the fees and commissions of KBC Bank Bulgaria EAD for deals and operations with financial instruments for individual clients and legal entities.

2. Sample information on the expected usual costs and fees for each type of instrument can be found at: www.ubb.bg. The information attached in the specified documents is indicative, as the amount of expenses may vary according to on the size of the investment, the holding period and the specific market situation.

3. For all cases that are not explicitly stated in the current Tariff and/or other conditions have been agreed upon under an individual contract with the client, the agreed conditions under the individual contract between the client and the Bank shall apply.

4. Fees can be paid in BGN or EUR, as agreed with the client. If not explicitly agreed, fees and commissions are calculated and collected in BGN.

5. The granting of preferential commissions for achieved turnover is done only after an inquiry by the client and after signing an annex to an investment service contract. Commissions are calculated as a percentage of the total executed value of the order on each business day, but not less than the specified minimum.

6. The EUR/BGN rates used in the Tariff are calculated at the fixed exchange rate of the Bulgarian National Bank.
