Export Documentary Collection

Frequently asked questions

1. Is there a risk for the exporter to receive no payment under the documentary collection?

Yes, the banks involved in the process of documentary collection have not commitment to make a payment, the payment depends only on the buyer/importer. Therefore, documentary collection is not suitable for you in case you fork for the first time with this partner.

2. Is it possible to make partial payments under documentary collection?

Yes, only if you, as an exporter give your explicit instruction through your servicing bank (Remitting bank).
