Apple Pay

How to use Apple Pay?

- o The first step is to digitalize your card from UBB in one of the ways, described above – via Apple Wallet or via UBB Mobile
- o You can use Apple Pay at any place where contactless transactions are being accepted, as well as on the Internet.
- o Prior to each payment you can choose which of your digitalized cards to use, in case you have registered more than one payment card for the Apple Pay service.
- o Prior to each payment you need to unlock your phone via the functionality, used by you – a PIN code/Fingerprint/Face recognition/Pattern
- o You should acquaint yourself with and accept the General Terms on using the Apple Pay service and the General Terms of United Bulgarian Bank AD on issuance and use of payment debit and credit cards, as well as Appendix No 1 thereto, regulating the terms and conditions for execution of payment operations with payment debit and credit cards via mobile applications of third parties
